ALLIES ATTACK DARDANELLES BY LAND AND SEA

BRITISH LAND 20,000 SOLDIERS ON SHORE NORTH GULF OF SAROS

TEUTONS LOSE GROUND IN BATTLES AT YPRES

IN EASTERN ZONE RUSSIANS AGAIN REPULS AUSTRO-GERMAN ATTACKS

(By Associated Press.)

Petrograd, April 21.—Ten German aeroplanes raided the town of Bialy, near Russian Poland and dropped one hundred bombs. The damage is great.

London, April 21.—Land and sea attacks on the Dardanelles on a much larger scale than at any time since the Allies began their effort to win Constantinople apparently is imminent.

Berlin reports that twenty thousand British and French troops have landed on the north shore of the Gulf of Saros, European Turkey, indicating that the land operations are actually under way. This force presumably will be employed for an attack from the rear of the Turkish fortifications along the European side of the straits, at the same time that the bombardment from the sea is undertaken by the Allied fleet.

ALLIES VICTORIOUS NEAR YPRES

Paris, April 21.—Severe fighting took place last night and today on the Ypres field. Several hands to hand conflicts took place during the early morning hours. The Allies were victorious in every engagement, driving the German defenders from three trenches and gaining a small village, Roubaix.

Along the rest of the western front there has been considerable fighting at separate points, but no battles of importance have taken place.

In the eastern zone the Russians have been busy repulsing Austro-German attacks in the direction of Strzy and to the southeast of Lypkows pass, and have themselves captured another height on the eastern Roshanka chain of the Carpathians.

EMPLOY TWO MEN

ON CAPITOL JOB

Oklahoma City, April 21.—At a meeting of the Capitol Commission presided over by Governor Williams it was decided to hereafter have two superintendents rather than one, and the increased cost will be about \$22,500. Boyd was retained as superintendent of construction and Layton and Smith, architects, were also employed as superintendents, for which they are to receive an additional 1 1/2 per cent of the \$100,000 to be expended on the new Capitol. This means an additional \$22,500 to the architects.

FOR NEUTRALITY

New York, April 21.—President Wilson in an address to the Congress of the Associated Press, took the theme: "Neutrality." He said the neutrality of the United States had a higher basis than a petty desire to keep out of trouble.

NOTHING BUT CONVICTIONS IN THE DISTRICT COURT

COUNTY ATTORNEY SWANK IS "CLEANING UP" ON UNDESIRABLE CITIZENS

James Richardson, negro, charged with larceny from the person, was found guilty by a jury in district court last night. Richardson was charged with extracting \$40 from the pockets of a companion. He admitted that he took the money, but stated that the man he robbed was his companion and was frightfully drunk at the time and he was fearful that some one would rob him. "I just took that nigger's money for safe-keeping," he said. The jury merely brought in a verdict of guilty without specifying the length of the sentence. Judge Henry Hudson, who is holding court here in Judge Huston's stead will pronounce sentence Saturday.

County Attorney Arthur Swank scored his fifth conviction at this term of court today when Vernon White, charged with burglarizing the Mathews house several weeks ago, changed his plea from not guilty to guilty. Judge Hudson assessed a penalty of 2 years in the Granite reformatory. White is under 21.

Virgil T. Sling, negro, 50 years old, charged with a statutory crime will be tried tomorrow. The complaining witness is his adopted daughter, Wanda Sling, 15 years old.

GAY BANK CLERK

MUST STAY IN JAIL

Because of the congested condition of the criminal docket for the present term of federal court the case of William D. Cole, Oklahoma City bank clerk, charged with embezzling approximately \$7,000 from the State National bank, will be tried at Enid in June. United States District Attorney John Fain announced last night.

Cole was arraigned before Federal Judge John H. Cotterell Monday morning and pleaded not guilty to each of the five counts against him. Judge Cotterell fixed his bond at \$1,000 on each indictment, \$5,000 in all. Monday night Cole had been unable to furnish bail, and was still a prisoner in the county jail.

ANNUAL FRESHET IN

CANADIAN HITS TRAFFIC

Oklahoma City, April 21.—The flood situation along the South Canadian river was an exact duplicate of that of last spring, when the annual rise, caused by melting snow in the tains occurred. Again the Santa Fe bridge at Purcell is the key to south and southwest traffic. According to local Rock Island officials every rail road bridge between the Colorado line and Purcell is out.

All of the Frisco and Rock Island traffic south and southwest is being detoured over the Santa Fe by way of Purcell. Thus the Santa Fe bridge at Purcell again is the key to the south and southwest traffic.

HEDSHIN RISING WITH DR. INGELLS.

SHE PREACHES GOSPEL OF WELL COOKED FOODS

THEORY OF HOUSEKEEPING PART OF MISS PEET'S COURSE IN COOKERY

The Leader will open a free school of Home Economics in the Guthrie Theater every afternoon next week, to which all women of the city are cordially invited. Members of women's clubs, and other progressive women of the city have already accomplished much along the line of better foods and better homes for this community, and it is in recognition of their work, and to encourage and inspire them to further effort along this line, that The Leader has adopted this means of pleasing Guthrie women.

The course is a practical and comprehensive one and the women of Guthrie are sure to learn from Miss Peet many things which will help them in running their homes more easily, more economically, and providing more pleasing as well as nourishing meals for their families.

She will tell how to choose and buy and cook meats. Suggestions as to which vegetables are most satisfactorily combined with certain meats, and other vegetables, and many other suggestions in regard to the planning of simple, balanced menus will be given.

Oklahoma City's fifteenth annual trade excursion will leave Oklahoma City on Monday morning, May 3, 1915, and will reach Guthrie on May 7, 1915, via Santa Fe in and out, at 9:20 a. m., and will remain till 10:20 a. m., during which time the members will visit acquaintances and meet as many people of the city and country as the limited time will permit.

Hedshin is said to be the largest camel used in the Turkish army. This photograph shows him rising from the ground with Dr. Ingells, German chief of the Turkish medical staff in the field with the Turkish army. The doctor has been given this enormous animal for all his trips. The soldier at the side is the personal attendant of the doctor. He belongs to the Tennesia tribe of Turks. His place is just behind the doctor on the camel's back, for the physician is not yet an expert driver of camels.

CHOCTAWS MEET IN CONCLAVE AT DURANT

CONVENTION OPENS THIS AFTERNOON; ANXIOUS TO WIND UP AFFAIRS

Special to Daily Leader.

Durant, April 21.—The Choctaw Indians met in convention today in Durant. Much interest is shown by delegates and leaders of the nation, who are flocking to the city. The convention will be a lively one. The executive committee met last night and framed resolutions.

It is believed the committee will recommend that the convention leave the matter of chief untouched unless it shall decide to recommend that an election be called in each of the original Choctaw countries at which all members of the tribe will be urged to vote. If this be done it is understood of course, that the election will be nothing more than an endorsement of the successful candidate for appointment by the President under the terms of the agreement of several years ago.

The Choctaws are anxious to wind up their tribal affairs, receiving all the money that is due them from

GOV. WILLIAMS PROCLAIMS MAY 9TH "MOTHERS' DAY"

Governor Williams has issued a proclamation asking that the people of the state observe Sunday, May 9, as Mothers' Day, and suggests that as many as can wear a white carnation in memory of mother. Referring to the occasion, the proclamation says:

GOODS STOLEN, RECOVERED BY SHERIFF

EIGHT SACKS SUGAR AND TWO CARTONS TOBACCO FOUND IN SHACK IN THE ELBOW

Eight of the fourteen sacks of sugar and two of the four cartons of tobacco taken by thieves from the Hunter grocery store some time Monday night, was recovered by Sheriff Sherwood yesterday afternoon. Sherwood located the stolen goods about 10 o'clock yesterday morning and set a watch, hoping in that way to catch the thieves, but the quarry evidently smelled a mouse and went to cover.

This afternoon Sherwood and Deputy Sheriff Ed Robertson are in the country east of town where they expect to recover the remainder of the stolen goods. Arrests will follow.

The sugar and tobacco recovered yesterday was found in a vacant house, 801 West Grant, in the Elbow district. Fresh wagon tracks leading to the old shack gave Sherwood the clue.

LOGAN COUNTY HAS 400

AUTOS; 315 IN GUTHRIE

Guthrie has 315 Automobiles of all kinds, according to the license record of the city clerk. There may be a few more who have not registered. It is estimated that there are at least 85 more in the county, making a total of 400. At an average first cost of \$500 for each machine, this represents an expenditure for automobiles alone in this county of \$200,000.

ROY THOMAS, IN HUP,

SECOND IN AUTO RACE

Roy Thomas of Enid, a frequent visitor to Guthrie and a relative of the Waltons, won second place in the auto race for the state championship at Oklahoma City Tuesday afternoon. The purse was for \$1,000. Claude Foster, in an Overland, won first, with Thomas, in a Hup, a close second. The race was 99 miles, 41 laps. The Overland's time was 2 hours, 2 minutes and 3 1/2 seconds; the Hup's time was 2:02:34.

In the 150-mile motorcycle race for \$500, Red Parkhurst of Milwaukee, on a Harley-Davidson machine, won.

This was the first race Thomas had ever entered. About three weeks ago Thomas went to Detroit. "I want a fast car to drive in the auto championship races," said Thomas. "If you will drive a Hup yourself we will make you a present of the car," said the company's manager. Thomas grabbed the offer and drove the car from Detroit to Oklahoma City.

THIS TIGER IS TAMED

BY A MARSHAL'S BULLET

Sapulpa, April 21.—W. J. Herod, city marshal of Mounds, shot and killed Jim Tiger, a wealthy Indian this morning. Tiger was intoxicated and lost control of his team while attempting to drive out of Mounds. Herod went to his assistance but Tiger drew a revolver. The marshal drew his own weapon and killed the Indian before the latter could fire. Herod was arrested.

Tiger is the third member of a wealthy family of Indians to meet violent death. A brother having been mysteriously shot from ambush less than a month ago.

BELGIAN HARE CARES

FOR SMALL RABBITS

Shawnee, Okla., April 21.—Frank Rushton is not a nature faker, but he is authority for the statement that a Belgian hare owned by his young brother readily adopted and cared for a litter of wild rabbits, the mother of whom had been killed. The strangers thrived under the care of their foster mother, and are now just getting their eyes open, evidently thought of as highly by the mother hare as her own brood. Mr. Rushton is also the proud owner of a flock of five white ducks from which he sometimes garners six eggs a day.

It is estimated that three hundred votes were bought for from three to twelve dollars each.

The commission government ticket, headed by Dr. W. H. Hoff was elected by a big majority.

T. R. ROOSEVELT ON STAND IN BARNES' LIBEL TRIAL

(By Associated Press.)

Syracuse, N. Y., April 21.—Theodore Roosevelt resumed the stand at the Barnes libel hearing today. After a conference of counsel with Judge Andrews, it was announced that the court had decided not to admit evidence regarding certain things not specified in the pleadings. This barred the door to the admission of a great mass of evidence, dealing with politics, political methods, and Barnes' alleged conversation with Roosevelt on the ethics of bossism. Roosevelt introduced a letter Barnes had written him, saying if direct primaries were ever adopted by this state, they will lead to untold evils in public life and place therein the cheapest kind of citizens. The idea of getting rid of bosses is assured, so long as you have party government.

BRUTAL ASYLUM GUARD

Parsons, Kan., April 21.—James Johnson, an attendant at the Parsons state hospital for epileptics, was arrested by the city police on charges made by Dr. M. L. Perry, superintendent of the institution, to the effect that Johnson had beaten, bruised and kicked one of the patients. Johnson was staying at the hospital. He put up a \$30 bond for his appearance in police court today, but forfeited it and he can not be found.
